

## Login Page

A mockup of a login page for 'Elearning'. The page features a white background with a subtle geometric pattern of overlapping squares and lines. On the left, there is a large, stylized graphic of a stack of papers or books. The main content area on the right contains the following elements: a heading 'Welcome to Elearning' in bold, a subheading 'We make it easy for everyone to learn.', two input fields for 'Email' and 'Password', a link 'Forgot password?', a 'Login' button in orange, a 'Clear' button in white, a link 'Don't have an account? Register', and a section for social login with the text 'Or login with' followed by links for 'Google', 'Instagram', and 'Facebook'.

Ketika klik Register maka akan memunculkan **Register** Page dan menonaktifkan **Login** Page.

## Register Page

The image shows a registration form overlaid on a background image of a modern building with a curved, glass-and-metal facade. The form is titled "Register for an Account" and includes fields for NPM, Password, Email, Place Birth, a date field (dd/mm/yyyy), and Address. It also features gender selection radio buttons (P for Perempuan, L for Laki-laki), a "Register" button, a "Clear" button, a "Login" link for existing users, and social media login options for Google, Instagram, and Facebook.

**Register** for an Account

Register to join us

NPM

Password

Email

Place Birth

dd/mm/yyyy

Address

Pick your gender ☐ P ☐ L

**Register** **Clear**

Have an account? **Login**

Or use with [Google](#) [Instagram](#) [Facebook](#)

Ketika klik Register maka akan mengembalikan **Login** Page dan menonaktifkan **Register** Page.
